Product description.

## SHARKY - Multifunctional bath- and toilet wheelchair.

In the development of **SHARKY**, the main focus has been on multifunctional applications and practical handling.

Unique in this product segment is its easy foldability to a very compact folding size, with a height of just 28 cm, while the seat is attached!

The tilt in space mechanism with locking bolts guarantees a safe 45° tilt in space function - perfect for showering.

The extremely slim design of the removable seat makes it very easy to use in the bathtub near the tub floor. The effect: Low water consumption and quickly reached water level.

The easy and comfortable height adjustment works with two stainless steel gas pressure springs.
